

FLU on CALL™

Questions about flu? Call 1-855-435-8722

Flu on Call™ is a telephone helpline for residents of Milwaukee County who have questions or concerns about flu.

It's that time of year again: The holidays are over, and kids are back in school. The flu can spread easily in places where people are close together, including classrooms and work spaces.

If you have questions or concerns about flu, talk to an Information Specialist at **Flu on Call™**.
1-855-435-8722.

GET THE FACTS ABOUT FLU

Talk to an Information Specialist to learn more about flu, including how flu spreads, ways to protect yourself and your family against illness, or where to go for a flu vaccination.

GET MEDICAL INFORMATION

Talk to a medical professional and get answers to medical questions about flu, including information about signs and symptoms of flu, what to do if you're sick, and how to care for someone who's sick.

Flu on Call™ is open to Milwaukee County residents Monday through Saturday from 7am to 7pm during January and February 2016. Call 1-855-435-8722.
